- FIVE OF THE BEST -

Nintendo

GAME BOY™

Sheer pace of the game, fluid movement of the players in end to end action, leaves you breathless. The opponents play a mean game of basketball, frequently changing tactics. Outwit him to score a spectacular Slam Dunk. Packed with options - Practice, Skills, Free Throws, Cup Competition, Game Speeds, Skill Levels and many many more. TIP OFF is great fun, giving you a tougher game as your skill and speed improve.

The Game Boy version retain the pace and game play of the console versions except that it is one player only. The scanner allows you to view the position of other players on the pitch at any time during the game. You can glue KICK OFF to the Game Boy and forget about other cartridges (CVG Review)

The struggle against the evil awaiting you is gigantic. The fire power at your disposal is mega but the price of failure is total annihilation.

Battle through the five worlds of darkness against awesome monsters, explore hidden rooms but keep half an eye open for the unexpected. The world of Turrigan is very dangerous but exciting.

Played at a blistering pace and packed with options to give a variety of game play. Instinctive joypad controls to dribble, pass, shoot, head and chip the ball and slide tackle the opponent. Packed with features like Red and Yellow cards, free kicks, corners, set piece free kicks, penalty shoot out, league and cup competitions, Kick Off provides months of pleasure.

Command your Cobra space craft on a fantastic voyage of discovery and adventure. Explore eight galaxies and thousands of worlds. Fight pirates, bounty hunters, smugglers and invading aliens. Try smuggling or even piracy. Buy extra weaponry and equipment for your ship until you have the toughest ship around and improve your combat rating as one of the Elite.

As if things weren't ooky enough! Wednesday has been a perfectly taunting child. She's gone and devised a simply tourturous game which will drive her darling wretched brother, Pugsley, to happiness. How absolutely delicious! Wednesday has hidden six wonderfully strange items somewhere about the Addams Family Mansion. Now, you must guide poor Pugsley on his quest to uncover them. Traps, traps, traps you say! Well, yes. What else would add so much lovely horror to this unnaturally delightful fun? Little Wednesday, so full of charming woe, has made sure this adventure will be a doom-filled doozy. There are even hidden switches all about, which produce the loveliest blood-curdling effects when Pugsley runs into them.
